VALKYR LODGE – Info Sheet

Valkyr Lodge is the quintessential backcountry lodge, featuring big log construction, entry/drying room, open common area with a huge handcrafted dining table, comfortable living room furniture and a bathroom on the main floor with a sink, toilet and a shower that uses a tankless propane water heater. Many picture windows look out on a pristine alpine vista. There is also a cold water bathroom on the ground floor for use with boots on. The private guest bedrooms are on the 3rd floor and are suitable for a couple or 2 single people. 4 of the bedrooms have a double bed with a twin bed over, 1 bedroom has a double bed with a twin bed over plus a second twin bed and 1 bedroom has a twin bunk bed. As a special treat we have ALL NEW bedding for 2015!

The Sauna Hut is a short walk away and is the perfect place to relax at the end of the ski day! It features a changing room, a bathroom with shower, sink and toilet, and the sauna room.
